"I loved your autumn issue. You reach the people and the truth. This is my favourite publication."

– Crelling Harnesses

"We've actually done really well from the October ad ... we're really happy with the results!"

– Hatchlings London

"We have advertised the iMap Centre with a series of advertisements in *Autism Eye* and an online directory entry. I'm delighted to say that not only has this led to the recruitment of pupils to our school, but we even managed to recruit a member of staff in this way."

– The iMap Centre, Cheshire

"Being autism-specific, *Autism Eye* meets our consumer profile really well. We know that it is a magazine read by parents, as they have specifically mentioned seeing our advert in the publication and we have actively recruited students as a result."
